

HUMOUR 😊

Shark on the Runway: So 2020!

One side effect of quarantine is that it's difficult to end phone calls. Twice this morning, I almost said "Ok, bye I have to run" only to realize there is no place to run to. 😊

What a year these last three months have been! 😊

In an unsettling role reversal of my teenage years, I am now yelling at my parents for being out of the house too long 😊

I feel like nature has sent us to our rooms for being too naughty 😊

Back in the day the only time we started panic buying was when the bartender yelled "last call" 😊

Never in my wildest of wild

dreams did I ever think I would go up to a bank teller and request money with a mask on. 😊

To the people who bought 20 bottles of soap leaving none of the shelves for others, you do realise that to stop getting Coronavirus, you need other people washing their hands too. 😊

I don't know why my fishing buddy is worried about Coronavirus, he never catches anything. 😊

Nail salons, hair salons, waxing center and tanning places are closed. It's about to get ugly out there. 😊

Why don't chefs find coronavirus

jokes funny? They're in bad taste. 😊

Yeah, I have plans tonight. I'll probably hit the living room around 8 or 9. 😊

What types of jokes are allowed during quarantine? Inside jokes! 😊

What's the best way to avoid touching your face? A glass of wine in each hand. 😊

You know what they're saying about 2020. It went viral faster than anyone thought it would. 😊

If coronavirus isn't about beer, why do I keep seeing cases of it? 😊

What did the man say to the bartender? I'll have a corona, hold the virus. 😊
