14th MARCH 2013

TO,
THE PRESIDENT
FIP
MUMBAI

Dear Sir,

I would personally like to thank the FIP, it's staff and especially Capt K. Puri and Capt S. Mehta for the prompt, efficient, expeditious and smooth manner in which my insurance claim was processed, and money credited into my account in less than a weeks time.

It is highly commendable to manage an organization of this strength and most important to be able to deliver, when most required.

I am both grateful and proud to be a part of the FIP.

Thanking you.

Trisha Mohan
