HEARTFELT THANKS

Sir,

I write this to place on record my heartfelt gratitude to the Federation of Indian Pilots for its unstinting support during the time of my medical unfitness.

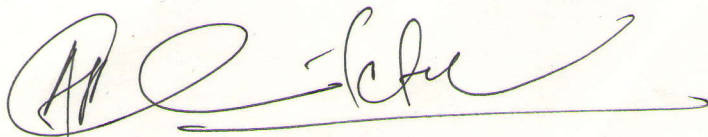

Unfitness affects a pilot in three ways: professionally, emotionally and financially. With the FIP taking care of the financial front, kind courtesy Bajaj Allianz Insurance Company, one was free to tackle the other two and concentrate on one's recovery.

Needless to say, I have been strongly recommending FIP Membership to all my aviator friends in military as well as civil aviation.

Also, Mr Thomas Colacco and Mr Lukose Litto deserve a special mention for their quiet efficiency.

Thanking You,

Yours sincerely,

Capt Avinash P Chikte
