**SUBJECT: APPRECIATION FOR FEDERATION OF INDIAN PILOTS**

Dear Sir,

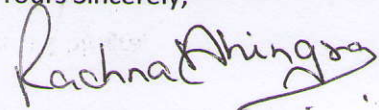

This is to place on record my deep gratitude for the prompt and hassle-free disbursement of my insurance claim from Bajaj Allianz General Insurance with the help of professionally efficient and courteous staff of the FIP who made it all possible. A special mention for Mr. Thomas Colaco who has been instrumental in seeing to it, that I do not have to run around for my financial compensation and has on his own been keeping me updated with the process.

I have been a member of the FIP since 1999 and it is now during my period of being first TMU then PMU did I realize, of how much of a mental boost it gives a pilot when he/she has been grounded but has had a back-up financially and of an organization to look into our wellbeing.

I would like to recommend the membership of FIP for all us fellow aviators as I know from personal experience that it is a boon for all of us.

Thanking you,

Yours Sincerely,

Capt. Rachna Dhingra
