LICENSE INSURANCE : SETTLEMENT

Sir,

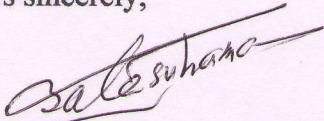

I have been a member of FIP since its inception. I also had the privilege of taking my license insurance from the esteemed organization year after year.

Recently I put in my claim due to permanent grounding on medical grounds. This is to place on record my gratitude for the early settlement of the same. Special mention also needs to be made for the efficiency and patience shown by the staff of FIP.

Here is wishing the FIP greater laurels and a bright future.

With warm regards,

Yours sincerely,

(Capt S Balasubramanian )
